

WCHELIG Winter Colloquium

The WCHELIG Colloquium Executive Committee is pleased to announce the 2nd WCHELIG Winter Colloquium to be held on 14 June 2006 at the Cape Peninsula University of Technology (Bellville campus).

The theme for this year's Colloquium, in line with the LIASA 9th Annual Conference theme this year as well as the IFLA World Library and Information Congress 2007 in Durban, is 'Collaboration for success'.

Come share your experiences, challenges, lessons learnt and success stories in working with your colleagues in the library, branches, faculties and other departments in the institution and in different parts of the country and of the world. This will be an opportunity for librarians to present a paper amongst their peers, for some it could be a place to practice their IFLA papers they want to submit.
